NOTICE OF FILING AND HEARING

DOCKET NO. 2006-107-WS

UNITED UTILITY COMPANIES, INC. – APPLICATION FOR ADJUSTMENT OF RATES AND CHARGES AND MODIFICATIONS TO CERTAIN TERMS AND CONDITIONS FOR THE PROVISION OF WATER AND SEWER SERVICE

United Utility Companies, Inc. (UUC or the Company) has filed an Application with the Public Service Commission of South Carolina (the Commission) for an adjustment of the Company's rates and charges and modification of certain terms and conditions for the provision of water and sewer service. UUC is a public utility, as defined by S.C. Code Ann. § 58-5-10(3) (Supp. 2005), providing water and sewer service to the public for compensation in certain areas of South Carolina pursuant to rates approved by the Commission in Docket No. 2000-210-W/S.

Pursuant to S.C. Code Ann. § 58-5-240 (Supp. 2005) and 26 S.C. Code Ann. Regs. 103-712.4.A and 103-512.4.A (Supp. 2005), the Company requests that the Commission approve an increase in its monthly water and sewer service rates. Also, pursuant to 26 S.C. Code Ann. Regs. 103-503 and 103-703, UUC proposes a modification to the terms and conditions under which a tenant will be billed for water and sewer services to comport with current S.C. Code Ann. § 27-33-50 (Supp. 2005). Additionally, the Company proposes to add language requiring its customers to conduct cross connection testing and to add a charge for same if such inspections are undertaken by the Company to meet the requirements of 24A S.C. Code Ann. Regs. 61-58.7.F.8 (Supp. 2005). The Company also proposes to include certain additional terms and conditions pertaining to the extension of its facilities, to include a definition of single family equivalent by reference to applicable regulation, and to delete certain provisions pertaining to payments to defray federal taxes arising out of contributions in aid of construction.

In support of its request for an adjustment in the Company's water and sewer rates, terms and conditions UUC asserts, among other things, that the proposed water and sewer rate increases are necessary in order that it may provide reasonable and adequate service to its customers, comply with standards and regulations set by the Department of Health and Environmental Control and other governmental agencies which regulate the environmental aspect of the Company's business, and earn a reasonable return on its investment and attract capital for future improvements. The Company also asserts that the proposed water and sewer rate increases are necessary to preserve its financial integrity and to permit continued investment in and maintenance of its facilities so as to provide reliable and high quality services.

THE PROPOSED CHANGES IN THE RATES AND CHARGES ARE SET FORTH BELOW
(The complete rate schedule is available from the Company at the address below and on the Commission's website at www.psc.sc.gov)
